similarly situated,

Plaintiffs,

v.

GENERAL ELECTRIC COMPANY, et al.,

Defendants.

Case No. 1:17-cv-8457-JMF

Hon. Jesse M. Furman

~~PROPOSED~~ ORDER AWARDING ATTORNEYS' FEES  
AND LITIGATION EXPENSES

This matter is before the Court on Class Counsel's motion for an award of attorneys' fees and Litigation Expenses. The Court having considered all matters submitted to it; and it appearing that notice substantially in the form approved by the Court, which advised of Class Counsel's request for an award of attorneys' fees and Litigation Expenses, was mailed to all Class Members who or which could be identified with reasonable effort, and that a summary notice substantially in the form approved by the Court was published in *The Wall Street Journal* and transmitted over *PR Newswire* pursuant to the specifications of the Court; and the Court having considered and determined the fairness and reasonableness of the attorneys' fees and Litigation Expenses requested,

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

1. This Order incorporates by reference the definitions in the Stipulation and Agreement of Settlement dated as of November 22, 2024 (ECF No. 476) ("Stipulation"), and all

capitalized terms not otherwise defined herein shall have the same meanings as set forth in the Stipulation.

2. The Court has jurisdiction to enter this Order and over the subject matter of the Action and all Parties to the Action, including all Class Members.

3. Notice of Class Counsel's motion for an award of attorneys' fees and Litigation Expenses was given to all Class Members who or which could be identified with reasonable effort. The form and method of notifying the Class of the motion for an award of attorneys' fees and Litigation Expenses satisfied the requirements of Rule 23 of the Federal Rules of Civil Procedure, the United States Constitution (including the Due Process Clause), the Private Securities Litigation Reform Act of 1995, 15 U.S.C. § 78u-4, as amended, and all other applicable law and rules, constituted the best notice practicable under the circumstances, and constituted due and sufficient notice to all persons and entities entitled thereto.

4. Class Counsel is hereby awarded attorneys' fees in the amount of 19.82% of the Settlement Fund net of expenses (i.e., \$69,898,260.00) and \$9,599,984.13 in payment of Plaintiffs' Counsel's litigation expenses plus interest on such amounts (which fees and expenses shall be paid from the Settlement Fund), which sums the Court finds to be fair and reasonable. Class Counsel shall allocate the attorneys' fees awarded among Plaintiffs' Counsel in a manner which it, in good faith, believes reflects the contributions of such counsel to the institution, prosecution, and settlement of the Action.

5. In making this award of attorneys' fees and payment of expenses from the Settlement Fund, the Court has considered and found that:

A. The Settlement has created a fund of \$362,500,000 in cash that has been funded into escrow pursuant to the terms of the Stipulation, and that numerous Class

Members who submit acceptable Claims will benefit from the Settlement that occurred because of the efforts of Plaintiffs' Counsel;

B. The fee sought has been reviewed and approved as reasonable by Class Representatives, sophisticated institutional investors that actively supervised the Action;

C. Over 3.8 million Postcard Notices and 6,200 Notice Packets (i.e., the Notice and Claim Form) were mailed to potential Class Members and Nominees stating that Class Counsel would apply for an award of attorneys' fees in an amount not to exceed 25% of the Settlement Fund and for payment of Litigation Expenses in an amount not to exceed \$10,000,000, and only two objections to the requested attorneys' fees have been received, which the Court has considered and rejected;

D. Plaintiffs' Counsel conducted the litigation and achieved the Settlement with skill, perseverance, and diligent advocacy;

E. The Action raised a number of complex issues;

F. Had Class Counsel not achieved the Settlement there would remain a significant risk that Class Representatives and the other members of the Class may have recovered less or nothing from Defendants;

G. Plaintiffs' Counsel devoted over 67,000 hours, with a lodestar value of \$45,234,372.50, to achieve the Settlement; and

H. The amount of attorneys' fees awarded and expenses to be paid from the Settlement Fund are fair and reasonable and consistent with awards in similar cases.

6. Class Representative Sjunde AP-Fonden is hereby awarded \$22,877.50 as reimbursement for its reasonable costs and expenses directly related to its representation of the Class in the Action.

7. Class Representative The Cleveland Bakers and Teamsters Pension Fund is hereby awarded \$12,642.41 as reimbursement for its reasonable costs and expenses directly related to its representation of the Class in the Action.

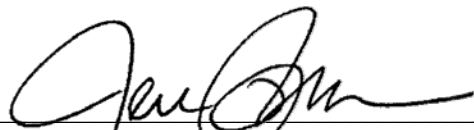

8. Labaton Keller Sucharow LLP is hereby awarded \$234,728.27 for expenses incurred by the firm during its involvement in the Action.

9. Any appeal or any challenge affecting this Court's approval regarding any attorneys' fees and expense application shall in no way disturb or affect the finality of the Judgment.

10. In the event that the Settlement is terminated or the Effective Date of the Settlement otherwise fails to occur, this Order shall be rendered null and void to the extent provided by the Stipulation.

11. There is no just reason for delay in the entry of this Order, and immediate entry by the Clerk of the Court is expressly directed.

SO ORDERED this 24th day of April, 2025.
